9:06 PM

- Father, I believe your Word.
- Your Word is true.
- What it says is true.
- What it says I can do, I can do.
- What it says I am, I am.
- I'm going to do what it says I can do.
- I'm going to activate the power of God in my life.
- I'm going to make my faith effective by acknowledging every good thing in me that is in Christ Jesus because it's not I who live, but Christ who lives in me.
- I died, was buried, and I was raised up with Him to sit with him in heavenly places far above all principalities and powers.
- That means far above all sickness and disease.
- I am no longer under the beggarly elements of this world, but I'm over them.
- They don't tell me what to do; I tell them what to do.
- I tell the flu to get away from me, and it flees.
- I tell poverty to get away from me and it flees.
- God has given me the ability to create wealth so that I can establish His covenant on the earth.
- I work with my hands. I'm healthy. I'm strong.
- I am an overcomer because greater is He that is in me than he that is in the world.
- I tread upon serpents and scorpions.
- I have authority over all the ability of the enemy, and nothing, Nothing, NOTHING shall by any means hurt me, touch my family, or come near my dwelling.
- When sickness tries to come toward me, I'll run toward it. It flees in 7 directions because greater is He that is in me.
- The law of the spirit of life in Christ Jesus has made me free from the law of sin and death.
- I'm free from sin. I don't walk in sin.
- I walk in holiness. I walk in righteousness.
- I don't walk in death. I don't walk in sickness. I walk in life.
- I don't have abundant life. I have life abundant! I have life enough for me, and I have life enough to give away.
- I have health. Healing is in my hands, and I can give it away.
- What I have I can give. I have Christ, I have life, I have health, I have strength. I have the spirit of power, of love, and of a sound mind. Not the spirit of timidity.
- I have clarity of thought. I don't have anything that clouds my mind. I keep my mind focused.
- My mind is stayed on Him and because of that I stay in perfect peace.
- I don't care what the stock market is going to do, because the kingdom of heaven is going to stay the same.
- I am not of this world—I'm in it but not of it. I'm of the kingdom of God.
- Jesus is Lord.
- He is Lord over me, Lord over my house, Lord over my health, Lord over my finances, Lord over my family, Lord over all my property.
- My property belongs to him and therefore the devil can't touch it. Jesus is Lord!
- I have an anointing that abides. It doesn't come and go. It abides. It is the Holy Spirit himself.
- The fullness of God dwells in Jesus Christ, and Jesus Christ dwells in me.
- The Spirit dwells in me. The Father dwells in me.
- I'm so full of God that there is no room for the devil.
- There is no room for sickness or disease.
- There is only room for health and life. I have so much health and life I'm overflowing. People that get around me get infected with life.
- They get healed and they don't even know why.
- I am going to tell them because I preach the gospel to every creature.
- I lay hands on the sick, and they do recover.
- I can do the same works that Jesus did and greater because He went to the Father.
- Now I'm going to let my light shine so that man can see my good works and glorify my Father which is in heaven.
- Amen!
